

St. Ambrose University Athletic Department
2009-2010
Student – Athlete Expectation Contract

The St. Ambrose University Athletic Department expects each student-athlete to positively contribute to the success of St. Ambrose University, the Athletic Department, your specific program, and committing to developing yourself into a more effective person and leader.

The successful completion of the St. Ambrose University Leadership Academy will emphasize the four core values upon which the SAU Athletic Department is built:

Trust

Commitment

Respect

Tradition

Each student-athlete will strive to fulfill the NAIA Champions of Character Program by **respecting** my opponent, the officials, my teammates, myself, and the game; taking **responsibility** for my actions in all areas of my life; having the integrity to stand by my word; providing **servant leadership** where I serve others while striving to be a personal and team leader; and being an example or **sportsmanship** by holding myself to the highest stands of fair play.

I have agreed to the challenge of these expectations as a St. Ambrose University Student-Athlete.
