Executive Education

St. Ambrose University is pleased to
announce our partnership with the
University of Notre Dame to offer the

2008 Notre Dame Certificate In Executive Management Program

With an emphasis on key areas of finance, human resource management, marketing and decision making, the 2008 Notre Dame Certificate In Executive Management Program is designed to be of value to a wide audience. It will appeal to owners, partners, executives, managers, directors, and other key personnel.

- This program qualifies for Continuing Education Units (5.5 CEUs) and Continuing Professional Education credits (66 CPEs).
- The program will be delivered via video conferencing at St. Ambrose University.
- All participants meeting specified attendance requirements will receive a certificate of completion awarded by the University of Notre Dame.
- Past participating organizations include:

Alcoa	Honeywell International
Deere & Company	Johnson & Johnson
H & R Accounts, Inc.	Per Mar Security Services

"Topics were real life applicable, easy to put to use the next day. Program has exceeded expectations."

Tim Smith, Director of Customer Relations & Purchasing
Per Mar Security Services

"The Executive Management Program has provided me with an excellent overview of wide-ranging topics that I can utilize in my everyday business life. The condensed class segments are ideal for accommodating a working professional's hectic schedule. I would highly recommend this program for perfecting your management skills."

Ron Snyder, Partner, H & R Accounts, Inc.
